Courses are NUCO
Certified.

FIRST AID COURSES

OUR FIRST AID COURSES INCLUDE:

LEVEL 3: EMERGENCY FIRST AID AT WORK

LEVEL 3: FIRST AID AT WORK

FIRST AID AT WORK REFRESHER

EMERGENCY PAEDIATRIC FIRST AID

AED (AUTOMATED EXTERNAL DEFIBRILLATION)

MINI MEDICS: FIRST AID TRAINING FOR CHILDREN
AND YOUNG PEOPLE

This PDF is interactive. Click on the Titles above to be taken to that page...

LEVEL 3: EMERGENCY FIRST AID AT WORK

1 DAY COURSE

This national award in Emergency First Aid at Work satisfies the requirements of the regulatory body for First Aid - the Health and Safety Executive (HSE).

Learners will develop the skills and knowledge to become your organisation's Emergency First Aider, providing treatment to their casualties in a prompt, safe and effective manner.

A range of subjects are covered, including:

- **Assessment of the situation**
- **Dealing with an unresponsive casualty**
- **Resuscitation and AED awareness**
- **Choking**
- **Minor injuries**
- **Bleeding control**
- **Burns**
- **Epilepsy**
- **Anatomy**
- **Shock**

LEVEL 3: FIRST AID AT WORK

3 DAY COURSE

If your workplace requires the need for qualified First Aiders, then this Level 3 qualification will provide you with the suitable, highly trained staff you require.

This comprehensive three-day course covers a wider range of first aid emergencies, enabling all participants to deal with emergency situations with confidence, in a prompt, safe and effective way. This course will give participants a qualification to the highest level of First Aid.

FIRST AID AT WORK REFRESHER COURSE

2 DAY COURSE

This First Aid at Work refresher course is for those who are currently qualified as a First Aider (FAW) and **wish to continue as an approved First Aider for another 3 years.** This course covers all aspects of basic life support along with a vast range of First Aid conditions.

EMERGENCY PAEDIATRIC FIRST AID

1 DAY / 2 DAY COURSE

This course has been developed for those who are working with children and infants. It will be of particular interest to teachers, child minders, crèche assistants and playgroup staff.

The one-day course partly fulfils the requirements of the Early Years Foundation Stage (EYFS), with the two-day course completely fulfilling these requirements. This makes it an ideal training course for those working with children and young people.

AED (AUTOMATED EXTERNAL DEFIBRILLATION)

2 DAY COURSE

AED's are becoming increasingly common throughout a range of workplaces and public places. A casualty's survival rate will dramatically increase if an AED is available and if you have appropriately qualified staff to use it.

This practical course will enable learners to use the AED competently and with confidence. Not only does this course deal with the use of an AED but it also includes vital training in resuscitation and choking procedures.

MINI MEDICS: FIRST AID TRAINING FOR CHILDREN AND YOUNG PEOPLE

2 HOUR COURSE

We also offer Mini Medics First Aid and Defibrillation training for children. **This course provides your students with valuable First Aid knowledge.** Students will also receive their own Mini Medics Pack.

A range of subjects are covered, including:

- Resuscitation (CPR)
- Recovery position
- Defibrillation
- Wounds and bleeding
- First Aid kits
- Shock
- Choking
- Asthma

FOOD SAFETY COURSES

OUR FOOD SAFETY COURSES INCLUDE:

LEVEL 2: GOOD NUTRITION

LEVEL 2: FOOD SAFETY IN CATERING

This PDF is interactive. Click on the Titles above to be taken to that page...

LEVEL 2: GOOD NUTRITION

HALF-DAY COURSE

This Good Nutrition course is designed for **anyone who is working or seeking a career in food preparation and/or food service**. It will give you a basic knowledge of food nutrition and an understanding of special dietary requirements which will help you prepare well-balanced meals and menus.

LEVEL 2: FOOD SAFETY IN CATERING

1 DAY COURSE

This course is an excellent introduction to **Food Safety in Catering and will benefit all employees at all levels**, particularly those who hold, or are about to hold, a food safety role within their catering organisation.

HEALTH AND SAFETY COURSES

OUR HEALTH AND SAFETY COURSES INCLUDE:

FAA LEVEL 2: MANUAL HANDLING

LEVEL 2: HEALTH AND SAFETY IN THE WORKPLACE

This PDF is interactive. Click on the Titles above to be taken to that page...

FAA LEVEL 2: MANUAL HANDLING

1 DAY COURSE

We are all exposed at times to some form of manual handling such as lifting, carrying, pulling and pushing actions that can be compounded by simultaneous movements such as climbing or pivoting.

Personal injuries resulting from incorrect manual handling in the workplace accounts for over one million working days lost per year. Correct manual handling techniques can make a huge difference.

This course provides an ideal approach to safer and more effective manual handling - not only meeting HSE recommendations, but also promoting good and safe working practices in any situation.

LEVEL 2: HEALTH AND SAFETY IN THE WORKPLACE

1 DAY COURSE

This is an excellent introduction to health and safety in the workplace and will benefit all employees, particularly those who may be accepting a health and safety role, such as a safety representative within their organisation. The training can also make up a key feature of induction training for new employees.

All aspects of Health and Safety are important to a business whether you are an employee, contractor, or supplier. This course will benefit both the learner and the business, ensuring that the working environment is a safe and healthy one.

FIRE SAFETY COURSE

LEVEL 2: FIRE SAFETY

1 DAY COURSE

This Fire Safety Training Course is designed for employees as an introduction to fire awareness and is an excellent feature in the induction programme of new employees.

This one-day course is excellent for employees who want to develop their basic fire safety awareness in order to assist their employer by undertaking more specific fire safety roles in the workplace. (For example: Fire marshals/stewards/wardens etc.)
